Enjoy our new Giant Pretzel Platter!

Imported direct from Munich, the 10 oz. pretzel measures 10 inches wide and eight inches tall! Produced by the famous Piller Bakery in Germany, ordering one of these from a pretzel girl is a favorite time-honored tradition at Oktoberfest in Munich. Now you can experience it right here at the Plattduetsche! The pretzel is served warm with a bacon & cheese dipping sauce and gourmet German medium-hot mustard. Share one today!
